

Age

What's the best age to be?	In your country how old must you be to smoke, drink, drive and get married?
How old were you when you left home?	What advice would you give to someone half your age?
What do you think is the best age to have children?	What do you think is the best age for a political leader?
What's the retirement age in your country?	Have you ever lied about your age?
Would you like to live until you were 1000?	Do you think a large age difference is unimportant in a relationship?
