

# The environment

|   |  |
|---|--|
| <b>What do you recycle?</b>   | <b>How worried are you about global warming?</b>   |
| <b>How do you try to save energy?</b>                                     | <b>Have environmental concerns changed the way you travel?</b>                                   |
| <b>Are you worried that we might run out of oil sometime soon?</b>        | <b>How do environmental concerns influence what you buy?</b>                                     |
| <b>What technologies could help to solve some environmental problems?</b> | <b>What do you think future generations will think about how we treat the environment today?</b> |
| <b>What do you think about nuclear power?</b>                             | <b>Have you noticed changes in the climate in your lifetime?</b>                                 |
