

Time

<p>Do you wear a watch?</p>	<p>If you could freeze time, what would you do?</p>
<p>If you had more free time, how would you spend it?</p>	<p>Are you good at managing your time?</p>
<p>What do you consider to be a waste of time?</p>	<p>What time-saving gadget do you wish someone would invent?</p>
<p>When does time go quickly or slowly for you?</p>	<p>When was the best time of your life?</p>
<p>Are you usually on time for events and appointments?</p>	<p>If you had a time machine which period would you visit?</p>
