

The future of 2035

Write a word or idea in each box that shows how you think the world might look in the year 2035.

Transport	Energy
Work	Money
Languages	Culture (tv, music, movies, etc.)
Global politics	The internet / technology

Examples

I think that in 2035 the Euro will be dead and there will be a single world currency

I think India could be the biggest economy in the world

Maybe everybody will speak Chinese
