

The future of 2035

Write a word or idea in each box that shows how you think the world might look in the year 2035.

Work	Energy
Transport	Money
Technology	Culture (tv, music, movies, etc.)
Global politics	The environment
Fashion	Languages

Examples

I think that in 2035 there will be a digital world currency

It's possible that India could be the biggest economy in the world

Maybe everybody will speak Chinese
