

Decision making

Hi Jeff. Have you *made your* _____ *up* about going to the conference next week?

I'm not ready to give you an answer today. Let me _____ *on it*, and I'll give you my decision in the morning.

We need to *weigh up the* _____ *and cons* before we decide which solution to go with.

There were lots of great candidates for the position. We were really *spoilt for* _____.

I'm *on the* _____ about whether to buy a PC or a Mac. The Mac has better software but the PC is much cheaper and has more software.

You should go with the Macintosh, it's *a no* _____. They keep their value and the software available is perfectly good for the tasks you need to do.

I only have a limited budget. I would rather buy a new Macintosh, but _____ *can't be choosers*.

<i>brainer pros mind beggars sleep choice fence</i>

Do you have any similar idioms in your own language?
