Making comparisons

1. Look at the list of adjectives and write them where you think they should go on the diagram.
2. Roll two dice (or one twice) and make comparisons between the two animals or gadgets.

For example **1 & 5** - *a shark is more dangerous than a bat.*

Animals	Gadgets
<ol style="list-style-type: none">1. shark2. monkey3. snake4. cat5. bat6. wasp	<ol style="list-style-type: none">1. 4K television2. toaster3. iPhone4. Playstation5. coffee machine6. alarm clock

3. Make superlatives from the two groups of words. For example *the most annoying animal is the wasp*
