

long, cute, boring, dangerous, exciting, old, fierce, furry, funny, wild, sad, hairy, enjoyable, tame, fast, overrated, intelligent, hilarious, disappointing, stupid

## Making comparisons

1. Look at the list of adjectives and write them where you think they should go on the diagram.
2. Roll two dice (or one twice) and make comparisons between the two animals or films.

For example **1 & 5** - *an elephant is more intelligent than a mouse.*

<p><b>1. Animals</b></p> <ol style="list-style-type: none"><li>1. Elephant</li><li>2. Monkey</li><li>3. Lion</li><li>4. Sheep</li><li>5. Mouse</li><li>6. Puppy</li></ol>	<p><b>2. Films</b></p> <ol style="list-style-type: none"><li>1. Star Wars</li><li>2. Dirty Dancing</li><li>3. Pirates of the Caribbean</li><li>4. Avengers</li><li>5. Casablanca</li><li>6. Avatar</li></ol>
---	--

3. Make superlatives from the two groups of words. For example *the most disappointing film is Avatar*
