## Eating out

How often do you eat out?	How often do you get takeaway food?
What's your favourite restaurant?	How much do you usually tip?
Have you ever worked in a restaurant?	Do you prefer home cooked food or restaurant food?
What's your favourite dish?	Do you usually have a starter and a dessert when you eat out?
Have you ever eaten in a very expensive restaurant?	When you eat in a restaurant do you try something new or something you know you like?
