

## Will Prompts

I've got a headache.

*I'll get you a headache tablet.*

It's quite hot in here, isn't it?

I'm hungry, I didn't have breakfast.

I'm a bit tired, I didn't sleep so well last night.

I want to speak to your manager.

Excuse me, the music is very loud.

Oh no, my phone battery is dead and I need to make a call.

(At the cafe) Oh no, I've forgotten my wallet!

I need a copy of your presentation as soon as possible.

There aren't enough chairs here for everyone.
